

## 7th ANNUAL WORKSHOP On Additive Manufacturing Technologies

# SAVE THE DATE AUGUST 1 - 5, 2011

**Registration/Welcome Reception:** Monday, August 1 @ 5:00 pm  
**Workshops Begin:** Tuesday, August 2 @ 8:00 am  
**Optional (Events TBD):** Friday, August 5 @ (TBD)

The **RapidTech 2011** workshop on additive manufacturing technologies is sponsored by RapidTech, the National Science Foundation and our industry partners. The workshop is structured for hands-on labs and presentations each day. This will be an opportunity for institutions that utilize or anticipate adopting these technologies to hear from industry and experts about the latest and greatest developments. Attendance of this workshop will give you and your institution a competitive edge in the emerging field of additive manufacturing.

Each participant will have the opportunity to attend the following hands-on labs:  
(Subject to change)

- Silicone mold making and resin casting sponsored by Smooth-On
- 3-D printing technologies utilizing Z Corporation equipment
- FDM technologies utilizing Stratasys equipment
- Laser scanning and reverse engineering utilizing, NextEngine & Rapidform
- Solid modeling utilizing SolidWorks
- Rapid prototype model finishing workshop
- Hydroprinting

**Space is limited to the first 50 participants.**  
**To secure a seat, please return the attached registration form along with the required fee.**
